Wendy Lipton-Dibner : The Expert Success Solution: Get Solid Results in 22 Areas of Business and Life before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Expert Success Solution: Get Solid Results in 22 Areas of Business and Life:

0 of 0 people found the following review helpful. Unlike other multi-author success books By Customer Rather than a collection of separately-written chapters, The Expert Success Solution is truly a collaboration of experts. While each writes on their particular area of expertise, they also reference one another, providing a truly collaborative "Success

Solution." Covering everything from motivating others and partnership conflicts to reigniting your inner joy and finishing life without regrets, this book covers a wide field with something for everyone. Imagine going to a party and getting 5 minutes with an expert sharing their very best advice. Now multiply that 22 times over and you get the impact of this little book. Not just previous articles rehashed and reprinted into a book collection, each author presents their best advice in a tightly focused presentation intended to inspire and move you to action. If you're looking for practical, actionable advice, from skilled professionals who know what makes a difference, look no further. The Expert Success Solution deserves all the praise it's been getting. Highly recommended. 0 of 0 people found the following review helpful. Great Book Filled with Immediately Usable Practical Tips! By Fergie This is an amazing book -- 22 collaborating authors -- and experts in their fields -- on a wide range of topics from business to health to relationships to achieving our big bold ambitions. Every chapter gave me a new insight or a different perspective on everyday problems. I've referred back to this book on several occasions for inspiration and practical tips. 1 of 1 people found the following review helpful. Great Advice By Julie Donnelly - Author I've been getting so much valuable advice from this book, in so many different areas of business that I can only say "Thank You!" I highly recommend it to anyone who is either starting out in business, or who is looking to move forward while learning from other people's mistakes and suggestions. A Wonderful book!

Make a list of 22 challenges to success in business and in life. The list will likely include everything from losing weight to making more money. Now try to find one expert who can provide concrete, practical, proven solutions to break through all 22 barriers and yoursquo;ll soon discover there is no all-knowing guru or credentialed expert with the necessary skills and experience. That'squo;s why 22 leading experts came together to create the first collaborative 5-star success buffet with concrete solutions for the most critical personal and professional challenges encountered by men and women around the globe. The Expert Success Solution combines 300+ years of experience in business and personal development to provide practical, step-by-step strategies in a fast-reading, entertaining, inspirational, hit-you-between-the-eyes, how-to manual. Filled with thought-provoking questions and real-life stories, the tools provided here will solve existing problems and help you avoid lifersquo;s greatest speed bumps. This is the juncture where motivation meets information and where the biggest decision yoursquo;ll have to make is whether to grab a tissue or a highlighter. It all begins with 6 simple questions. . .
