**Paul A. Argenti : The Fast Forward MBA Pocket Reference (Fast Forward MBA Series)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Fast Forward MBA Pocket Reference (Fast Forward MBA Series):

12 of 14 people found the following review helpful. A great introduction to business principles. By A Customer This book provides a great introduction to the key elements of business. After reading it, my business vocabulary was greatly increased. I found this book a better read than "The Portable MBA." "Fast Forward," with less reading, seems

to cover more (e.g., economic value added).

The Fast Forward MBA Pocket Reference Second Edition - more comprehensive and convenient than ever! When the success of your business hangs in the balance, you need reliable, authoritative information immediately. You need a resource that covers all the corporate bases-communications, management, economics, strategy, accounting, finance, marketing, and more. You need The Fast Forward MBA Pocket Reference, Second Edition. Packed with information designed to serve all your business needs, this handy, highly readable book is the ultimate companion for those moments when you need to put your finger on the right advice at the right time-now. This updated and revised Second Edition offers clear, concise coverage of the complete range of essential business topics in a handy format. You'll find all the latest cutting-edge ideas, including new developments in technology, strategy, and branding, as well as key terms, tools, and topics in short, lively entries that give you all the information you need. The Portable MBA The Fast Forward MBA-- the compact business companion you'll use every day! Keep up with the newest ideas in business Brush up on the basics you can't do without Find direct, practical answers to complicated problems

From the PublisherThis useful business tool is a one-step source for business information, allowing time-pressed business professionals to quickly find out how and where to get the right information to solve their business problems and make smart and informed decisions. The book is full of information you can rely on, including an "A-to-Z Reference of Essential Business Topics," providing key terms and tools for any business executive; reading lists; Internet sources; traditional methods for gathering "competitive intelligence" and cutting-edge ideas, compiled by business leaders for solving tough research problems.From the Back CoverThe Fast Forward MBA Pocket Reference Second Edition - more comprehensive and convenient than ever!
