**David Weber : The Food Truck Handbook: Start, Grow, and Succeed in the Mobile Food Business** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Food Truck Handbook: Start, Grow, and Succeed in the Mobile Food Business:

70 of 70 people found the following review helpful. Read this review like for moreBy ProtoEvanStarting a food truck Iv read all the books and this one was full of good working thoughts and considerations. I recommend joining a food truck group in your city just about all of them have one even here in Oklahoma City the OKC food truck association is

a great way to go beyond the book and find out what permits and check lists you have to follow for your area. As long as you're not the same type of food truck you'll find others will be more than happy to help and guide you. These books will help you build the plan but you need a working local knowledge in order to not violate a law. Just in my city I needed a LLC, a inspection by the city health department, a permit by the health department, a site permit every time I park on private property, a annual permit I have to buy every year to go to special events, and a site inspection permit every time I park at a public event. Hope that helps like my reviews for more 6 of 6 people found the following review helpful. Very helpful By Patti Pollock Excellent tips on starting a food truck and has referrals to insurance and other reference points. Well done manual, much more informative than Food Trucks for Dummies, which was sorely lacking. 2 of 2 people found the following review helpful. A good starting point for someone looking to figure out how... By A. Loret de Mola Valuable, specific advice. A good starting point for someone looking to figure out how to start such a business.

How to start, grow, and succeed in the food truck business. Food trucks have become a wildly popular and important part of the hospitality industry. Consumers are flocking to these mobile food businesses in droves, inspiring national food truck competitions and even a show dedicated to the topic on The Food Network. The relatively low cost of entry as compared to starting a restaurant, combined with free and low-cost ways to market them to the masses via platforms like social media, are just two of the reasons that food truck business are drawing in budding entrepreneurs. Author David Weber, a food truck advocate and entrepreneur himself, is here to offer his practical, step-by-step advice to achieving your mobile food mogul dreams in The Food Truck Handbook. This book cuts through all of the hype to give both hopeful entrepreneurs and already established truck owners an accurate portrayal of life on the streets. From concept to gaining a loyal following to preventative maintenance on your equipment this book covers it all. Includes profiles of successful food trucks, detailing their operations, profitability, and scalability. Establish best practices for operating your truck using one-of-a-kind templates for choosing vending locations, opening checklist, closing checklist, and more. Create a sound business plan complete with a reasonable budget and finding vendors you can trust; consider daily operations in detail from start to finish, and ultimately expand your business. Stay lean and profitable by avoiding the most common operating mistakes. Author David Weber is Founder and President of the NYC Food Truck Association (NYCFTA), which brings together small businesses that own and operate premium food trucks in NYC focused on innovation in hospitality, high quality food, and community development.
