From Asian Development Bank : The Future Global Reserve System before purchasing it in order to gage whether or not it would be worth my time, and all praised The Future Global Reserve System:

The Future Global Reserve System;an Asian Perspective is a collection of studies that discuss critical issues related to the future of the international monetary system and the role of Asia in its evolution. It is envisaged to enhance the awareness of Asian policy makers the public in order to participate actively and constructively in the emerging global dialogue on reforming the global reserve system.
