M. Umer Chapra : The Future of Economics: An Islamic Perspective (Islamic Economics) before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Future of Economics: An Islamic Perspective (Islamic Economics):

This profound book is a powerful yet balanced critique of mainstream economics that makes a forceful plea for taking economics out of its secular and occident-centred cocoon. It presents an innovative and formidable case to re-link economics with moral and egalitarian concerns so as to harness the discipline in the service of humanity. M. Umer
