**From Routledge : The Global Economic Crisis in Latin America: Impacts and Responses (Routledge Studies in the Modern World Economy)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Global Economic Crisis in Latin America: Impacts and Responses (Routledge Studies in the Modern World Economy):

When the 2008 housing market bubble burst in the United States, a financial crisis rippled from the epi-center in the United States across borders into economies both near and far, causing persistent social and economic detriment in many countries. *The Global Economic Crisis in Latin America: Impacts and Responses* is an examination of the impacts and responses in the diverse Latin American region through the lens of three countries: Mexico, Brazil, and Argentina.

About the Author Michael Cohen is Professor of International Affairs and Director of the International Affairs Program at the New School University, USA.
