Phil Thornton : The Great Economists: Ten Economists whose thinking changed the way we live before purchasing it in order to gage whether or not it would be worth my time, and all praised The Great Economists: Ten Economists whose thinking changed the way we live:

The Great Economists succinctly and accurately describes the thinking of the world's leading economic thinkers. It captures their key beliefs, explores their backgrounds, assesses their thinking and evaluates their legacy. It explains the schools of thought named after them and clearly shows how they influence our everyday lives.

From the Back Cover 'A clear and useful guide for anybody who wants to know how and why economic thought has shaped the world we live in over the past 250 years.' Larry Elliot, Economics Editor, The Guardian  
'It is hard to quarrel with Phil Thornton's choice of the 10 great economists to include in this book. He skilfully brings them to life and explains their contribution to economics in a clear, accessible and readable way. Recommended.' David Smith, Economics Editor, The Sunday Times.  
Economists such as Adam Smith, Karl Marx, John Maynard Keynes, Friedrich Hayek and Milton Friedman are known throughout the world. Their philosophies have influenced iconic politicians, divided continents, spawned political parties and had striking impacts on how we live. Who are these people and what have they done to make such a mark on society? What can we learn from them?  
The Great Economists succinctly and accurately describes the thinking of the world's leading economic thinkers. It captures their key beliefs, explores their backgrounds, assesses their thinking and evaluates their legacy. It explains the schools of thought named after them and clearly shows how they influence our everyday lives.  
About the Author Phil Thornton is lead consultant at Clarity Economics, a consultancy and freelance writing service he set up after a 15-year career as a newspaper journalist. Before founding Clarity Economics he was Economics Correspondent at the Independent newspaper, a post he held for eight years. Phil is an award winning journalist, with a strong platform. His awards include Feature Journalist of the Year award in the Work World Media Awards, 2010 and Print Journalist of the Year Work World Media Awards, 2007
