It is a great book to have if you work in an office or if you are writing a lot of papers, or if you just are interested in proper writing techniques. I had to get this book for a class, and most people re-sell their school textbooks, but this one is one I will be keeping for my bookshelf forever. I really feel like it will be a handy book to fall back on later down the road in my career field. 2 of 2 people found the following review helpful. Handy reference book, easy to use By Dana L. Pride Just what I need for every grammatical situation. Well organized and the spiral binding is so handy. 0 of 0 people found the following review helpful. Handy when you don't write everyday By Kindle Customer Handy for business and school environment. Useful for an occasional

reference in grammar. For example, it's easy to forget the usage of a semicolon and colon when you don't use it all the time.
