**From Palgrave Macmillan : The Industrial Policy Revolution II: Africa in the Twenty-first Century (International Economic Association Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Industrial Policy Revolution II: Africa in the Twenty-first Century (International Economic Association Series):

This volume is the result of the 2012 International Economic Association's series of roundtables on the theme of Industrial Policy. The first, 'New Thinking on Industrial Policy,' was hosted by the World Bank in Washington, D.C, and the second, 'New Thinking on Industrial Policy: Implications for Africa,' was held in Pretoria, South Africa.
