Nigel Calder, John Rousmaniere, Bill Gladstone, Robert J. Sweet, Peter Nielsen, Charlie Wing, Richard A. Clinchy : The Instant Handbook of Boat Handling, Navigation, and Seamanship: A Quick-Reference Guide for Sail and Power before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Instant Handbook of Boat Handling, Navigation, and Seamanship: A Quick-Reference Guide for Sail and Power:

0 of 0 people found the following review helpful. This book is selection of some tips written from many authors
By Rudi Zimmerer
This book is a selection of some tips written from many authors and it fits not good together. It is like somebody had torn out some articles from sailor magazines put it together to a book, sorry this I do not like so much. In the kindle edition, it has no content description, why? So it is hardly to find the chapters. The chapters their self are quite useful, some are very good....
1 of 1 people found the following review helpful. Chapman's is better
By Michael Edick
This is like a stripped-down version of the Chapman's bible. I bought it because it was available for Kindle, but then ended-up buying the Chapman Seamanship version because of how much was lacking (rules of the road, horn communication, lighting requirements...)
0 of 0 people found the following review helpful. Five Stars
By Joseph A. Romano
Gave as a gift, they used it. Said it was handy.

Instant answers for your boat handling, navigation, and seamanship questions
The Instant Handbook uses a dynamic new quick-reference format to cover the critical aspects of piloting, seamanship, and boat handling under sail or power more accessibly and effectively than has ever been done before. It puts at your fingertips all the information you need about: Boat Handling Under Power--Bob Sweet Sail Trim and Rig Tuning--Bill Gladstone Using Nautical Charts--Bob Sweet Using GPS--Bob Sweet Using VHF and SSB Radios--Bob Sweet Rules of the Road and Running Light Patterns--Charlie Wing Knots, Splices, and Line Handling--Charlie Wing Anchoring--Peter Nielsen Onboard Weather Forecasting--Bob Sweet Heavy Weather Sailing--John Rousmaniere Diesel Engine Care and Repair--Nigel Calder Emergencies On Board--John Rousmaniere Emergency First Aid On Board--Richard Clinchy

Instant answers for your boat handling, navigation, and seamanship questions
The Instant Handbook uses a dynamic new quick-reference format to cover the critical aspects of piloting, seamanship, and boat handling under sail or power more accessibly and effectively than has ever been done before. It puts at your fingertips all the information you need about: Boat Handling Under Power--Bob Sweet Sail Trim and Rig Tuning--Bill Gladstone Using Nautical Charts--Bob Sweet Using GPS--Bob Sweet Using VHF and SSB Radios--Bob Sweet Rules of the Road and Running Light Patterns--Charlie Wing Knots, Splices, and Line Handling--Charlie Wing Anchoring--Peter Nielsen Onboard Weather Forecasting--Bob Sweet Heavy Weather Sailing--John Rousmaniere Diesel Engine Care and Repair--Nigel Calder Emergencies On Board--John Rousmaniere Emergency First Aid On Board--Richard Clinchy
Each subject is stripped to its absolute essence. Only a panel of top nautical experts could pack such a wealth of information into such a small book. Equally valuable for home study and onboard reference, The Instant Handbook includes all the essentials and not a word more.
About the Author
John Rousmaniere is the author of The Annapolis Book of Seamanship and a dozen other nautical books. Bob Sweet, author of GPS for Mariners and The Weekend Navigator, is the national education coordinator for the United States Power Squadrons. Charlie Wing is the author of Get Your Captain's License and other boating books. Nigel Calder, author of Boatowner's Mechanical Electrical Manual, among other titles, is acknowledged as the world's foremost writer on technical boating topics. Bill Gladstone is the director of education for North Sails and has been teaching sailing for more than 30 years. Richard Clinchy, an emergency medical technician for more than 40 years, is a paramedic, a member of the National Association of EMS Physicians, and past chief of the U. S. Coast Guard Auxiliary's Department of Education. Peter Nielsen is the editor of SAIL magazine and the author of Sailpower.
